**DISCLAIMER:** The information contained on this website concerning dental providers may change at any time and without notice. There is no guarantee that the dentist you select from the list will still be a network provider at the time you plan to have services performed. Some providers may not participate in the network at all locations where they practice. Prior to making an appointment and again at the time of the appointment, please verify with the dentist that they participate in the network. If you are not able to keep your dental appointment, please give the participating dentists at least 24 hours advance notice of your need to cancel or reschedule. This allows the dentists to properly schedule patient visits.

For the most current network information please call 800-755-8844. If you have questions about a claim or about your plan benefits, please call the toll free number on the back of your identification card.

**Nominate a Provider:** If your dentist or specialist is not part of our participating provider network, you can nominate him/her for the network by completing and submitting the nomination form. [Online Nomination Form](#)
